

Student Name: _____

Grade: _____ Date: _____

1. A bookstore sold 7 copies of the latest Harry Potter book at the full price of \$45, and they sold another 4 copies on special at half price. How much money did they collect from those book sales altogether?

2. Father's Day is coming – on 4th September. One lovely gift for Dad on the internet is a drinking mug labelled "2 Reasons Why I Love Being a Dad". (Draw your own family pics!) It costs \$19.95, plus \$7 postage. If YOU buy a mug for \$2.80 and write the words yourself, how much money do you save by making his gift yourself?

3. At the time of writing, we're proud that Australia has won 4 gold medals, 0 silver medals, and 5 bronze medals at the Olympics. If the USA has won 10 gold, 11 silver, and 9 bronze, how many fewer medals does Australia have than the USA?
4. A small earthquake at Warragul last week was centred 10 kilometres below ground. How many METRES below ground is that? Write your answer in figures.
5. American swimmer Michael Phelps won the 23rd gold medal of his Olympic career last week. Write that number in Roman Numerals.
6. "PAX" is a book about a boy and his pet fox. It costs \$23.99. Ann earns weekly pocket money of \$4.50. How many weeks will she need to wait to buy the book?

7. The ABC's "PLAYSCHOOL" has 2 presenters in each program, and 5 programs per week are made, each with different presenters. If each presenter is paid \$2,500 per program, how much does the ABC pay presenters over one week?

8. American basketball champion Michael Jordan has made a huge donation of \$6½ million dollars, to go towards an African-American history museum. Write that donation in figures.

9. Jenny's SQUARE swimming pool has a perimeter of 20 metres. How long is each side of the pool?

10. Open-ended Question: There are 60 balloons to be blown up for Ben's party. It takes 1 minute to blow up a small balloon, and 1½ minutes to blow up a large balloon. How long will it take altogether to blow up more big balloons than small balloons (60 in total)? Give 3 possible answers.

ANSWERS – EdShop Mid-Primary Worded Worksheet MP 30 16
