

Student Name: _____

Grade: _____ Date: _____

1. Isobel, the School Crossing Supervisor, sometimes gives each child 3 lollies if they cross correctly. Last Friday, 87 children crossed in the morning, and 84 children crossed in the afternoon. How many lollies did she give out altogether on that day?

Prince Harry

2. Prince Harry challenged USA running champion Usain Bolt to a sprint. But Prince Harry cheated by giving himself a 38-metre start. How much start is that, in centimetres?

3. The TV show Sesame Street features a lot of different characters, with one of them being Elmo! If Elmo says he is three and a half years old, and you're doing this question on September 1st 2016, when would he have been born?

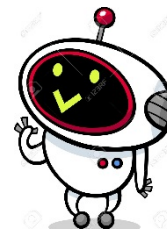

4. The Olympic Games have just ended! If they started on the 5th of August and ended on the 21st of August, how many weeks and days did they go for?

5. JK Rowling has announced three new Harry Potter books full of short stories that will be out soon! She's said that each book will cost about \$5. How much money would you need to buy a set of all three copies for each of you -- yourself and two friends?

6. For Father's Day, Jodie and Josh gave their dad a whacky gift – a Star Wars droid that cost \$89.97. If they'd saved \$8 per week each to pay for it, how many weeks did they save to pay for it?

7. Spring is about to start, lasting from the start of September until the end of November. If it rains on half of the days during Spring, for how many days will it rain?

8. Firefighters want to raise money for charity, by climbing 28 floors in a tall building. If there are 500 firefighters taking part, how many floors in the building will be climbed altogether?

9. At last, the 11 secret herbs and spices in KFC has been found (maybe!). Of the 11 on the list, 3 were a type of salt. How many of the 11 ingredients were NOT salt?

10. Open-ended Question: A new dictionary has included the word "BOGAN" in its dictionary for the first time. Write 3 words starting with "BO" that would come before "BOGAN", and 3 that would come after "BOGAN".

ANSWERS – EdShop Mid-Primary Worded Worksheet MP 32 16
