New  
Zealand

1. There was a big earthquake in New Zealand last week that caused lots of damage. Mike's house there had 10 windows altogether. Half of them broke, and cost \$100 each to repair. How much did they need to pay to replace them?

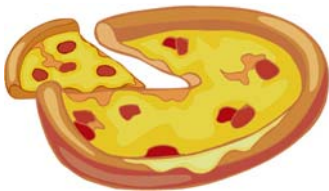

2. Jimmy took his dog Blackie to the local dog wash to give him a good wash. The dog wash costs \$2 per minute, and it took Jimmy 6 minutes for the wash and shampoo. How much did he have to pay?

3. The new Harry Potter movie "Fantastic Beasts and Where to Find Them" will be coming out late in November. That will be 15 years after the first Harry Potter movie. What year did the first Harry Potter movie come out?

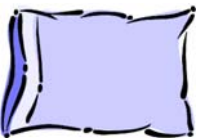

4. Josh has four 3 cm-thick books and a toy box that's 20 cm tall. Can they all fit in a stack under a Christmas tree with branches that start 30cm off the ground?

5. At Pammy's 10<sup>th</sup> birthday party, 15 of her friends came along. If 8 of her friends liked pineapple on their pizza, how many did NOT like pineapple on their pizza? (Do most of the students in your class like pineapple on their pizza, or not? Check it out!)

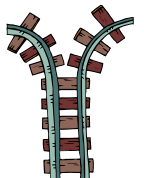

6. People staying at a luxury hotel in the city are paying \$20,000 per night for the top Penthouse Suite. If they stayed for one full week (7 nights), how much would they pay altogether for the accommodation?

7. On the new iPhone, there is no headphone plug any more. The headphone 3.5 mm plug has been around for 100 years. In what year was it first used?

8. As a spring cleaning present for the entire family of 5, Meg's mum decided to replace the pillows for everyone. The top-quality pillows cost \$39.95 each. How much did she pay altogether?

9. Tom's new radio-controlled train set has railway track 3.5 metres long. How many centimetres long is that?

10. Open-ended Question: In a packet of hundreds and thousands there are 5 colours – red, pink, yellow, green and blue. There are 4,000 hundreds and thousands in the pack, and half of them are warm colours. How many of each of the COOL colours may there be?

## ANSWERS – EdShop Mid-Primary Worded Worksheet MP 44 16
