

Castletown Primary School Uniform Catalogue

The P&C have worked hard with the school board to come up with new uniform items that are a modern alternative to the old uniform. The two-year phase in of the new uniform has ended and all students should be wearing our new style uniform.

Please purchase through www.quickcliq.com.au or come along to the uniform shop to get fitted. The shop will be open each Wednesday during term, from 8:15 to 9am. Or make an appointment with us via uniformshop.cps@outlook.com to try on the uniform. If you would like to support the P&C by buying name labels for clothing or other school items, go to <https://www.brightstarkids.com.au/> and during the purchasing process, you can enter your fundraising school name (CASTLETOWN) to ensure we collect fundraising points.

You can read the [school uniform policy here](#), or by going to www.castletownprimaryschool.wa.edu.au >> General information >> Policies.

Red polo shirt (also the Success faction shirt)

The addition of the black panels, the black stripes on the collar and cuff, and the black on the inside of the placket has modernised the Castletown everyday polo shirt. This is available in size 2, 4 through to size 16, S, M and L.

Blue (Challenger) faction polo
Green (Parmelia) faction polo
Gold (Cygnet) faction polo

As above for design details. These shirts are available in sizes 4 to size 16. We will order larger and smaller shirts than this when we do a re-order, however that won't be until 2023.

Sports jacket

This is our current sports jacket, which is comfortably long and a larger sizing so that you can wear a jumper underneath if you need to. We find this jacket is very popular with the older students, who tend to find the zip front jacket too warm. The new logo is embroidered on the left.

This jacket is available in size 4 to size 16. It is a larger sizing.

Lined Sports jacket

This jacket is identical to our current sports jacket, except that it has a red fleecy warm lining inside to keep out the winter chill. It will have the hidden pockets just like the sports jacket.

The lined sports jacket is available in sizes 4 to size 16.

Zip front jumper

This style replaces the old zip front jumper. This warm fleecy jumper features a set-in sleeve, a thicker and easier zip for younger children to zip up themselves, and a high collar to keep warm in winter. Left hand side insert pocket, right hand side zip pocket.

This is true to size and is available in size 2, 4, 6, 8, 10 and 12. If there is demand for larger sizes we will look at stocking them.

Black skort

This is a skirt with hidden boy leg shorts for a locked-in fit that moves with you during play. Made from an easy care, cotton rich fabric with a side zip pocket.

Available now in sizes 4 through to size 14.

Red Tartan Skirt

The Tartan Sports Wrap-around Pleated Skirt has a Flat Panel at Front, Adjustable Waist with Slider-clip Closure. This skirt tends to be on the small side so you will need to go up a size.

Available in size 4 to 18. Runs one size smaller than normal (ie if normally a 6, will need to purchase an 8).

We also stock bike shorts and black tights to go under the tartan skirt.

Microfibre short

Combining water repellency and crease resistance. These shorts also have a zipped pocket to keep your items safe, a comfort elastic waist with drawcord to ensure the right fit, every time, and is also lightweight.

Size 2, 3, 4 through to size 16 now in stock.

Microfibre hat

The new Castletown logo is on the front, and it is made from light water repellent microfibre with 50+ UPF rating. This hat can be folded and scrunched down without creasing. It also has an adjustable crown cord.

Some parents also like to get their child's name embroidered on top (as it can be confusing for teachers when everyone is wearing the same hat!). Visit one of the local businesses that do embroidery for this service.

XS/S are for Kindy/Pre-Primary, however people can always buy the next size up as the hat has the drawstring so it fits perfectly.

Hats are available in 4 sizes, XS/S, S/M, M/L, L/XL. We have plenty of hats in stock.

Microfibre tracksuit pant

Made from soft finish water repellent microfibre with a soft polyester cotton lining. Comfortable elastic waist with draw cord, with a shoe leg opening and an extra-long zip, and two side pockets – one of them a security pocket with a zip.

Available in size 4 to size 16 with all sizes now available.
