

# CASTLETOWN PRIMARY SCHOOL

*At Castletown Primary School, we inspire and educate all students to succeed in becoming productive and valued citizens.*

**Inspire - Educate - Succeed**

## Castletown Keys

### KEY ACTIONS 2022

#### LITERACY (ENGLISH)

Embed Talk for Writing across the school K to 6, with Professional Learning for new staff  
Create an overview of our whole-school Reading Approach, with scope and sequence across the year levels  
Continue and expand if possible Minilit and Macilit intervention strategy for targeted students  
Explore the "Effective Reading Instruction – Comprehension and Fluency" – with PL for staff  
Establish a Literacy Coach role for K-2 and 3-6; explore possible models in other schools

#### NUMERACY (MATHEMATICS)

Continue the I-Maths program throughout the school, with a review in semester 2 of this strategy's success  
Create a scope and sequence across the year levels – Maths Committee to lead staff development of this  
Maintain Numero across all years, with PL for staff from the state manager of Numero  
Explore and trial Maths Mastery as an intervention strategy  
Explore the role of a Numeracy Coach or Teacher Leader, to support teachers in Mathematics Teaching & Learning

#### HEALTH AND WELL-BEING

Implement the Smiling Minds program across the school K-6; utilise their student mental health and well-being survey and data to replace Forge  
Continue the Be You and Act Belong Commit program/resources across the school  
Commencement of the Positive Behaviour Support program at CPS with focus on language of "expectations"  
Embed Friendology as the Social Emotion Learning program across the school; revise in term 1  
Continue to promote and support the positive Health and Well-being of all staff in the school

#### INFORMATION AND COMMUNICATION TECHNOLOGIES

Focus on development of iPad and PC use that enhances learning and increases student engagement.  
Develop explicit and sequential Year Level summaries of Technologies and ICT Capabilities that are specific to our Castletown context.  
Continue and evolve the ICT Leaders role.  
Maintain modern and current ICT infrastructure across the school.

#### SUSTAINABILITY

Continue educating the school community through the Reduce, Reuse, Recycle strategy  
Increase and support kitchen garden learning opportunities, with additional garden beds installed  
Seek the acquisition of a Kitchen Container for the kitchen garden program  
Educate the school community on ways to reduce the Electrical Energy consumed within the school, and investigate reduction of consumption through change to LED lighting through student extension program.

#### ABORIGINAL EDUCATION AND CULTURAL AWARENESS

Develop further the school's Reconciliation Action Plan, with reference to the Esperance Network plan and utilising support from Dept of Education RAP team  
Continue and strengthen the Aboriginal Parents Reference Group with regular meetings twice a term  
Inform staff on the Aboriginal Cultural Standards Framework to integrate into learning program opportunities  
Continue referring to the results of the ACSF audit to inform school planning in this area  
Continue to seek opportunities to enhance the presence and identity of local culture in the school environment

#### OTHER KEY INITIATIVES AND ACTIONS FOR 2022

##### Teaching and Learning

Continue the emerging development of a CPS Lesson Design and Instruction Framework, using ISTAR as a starting point

##### Learning Environment

Commence the formal implementation of Positive Behaviour Support (PBS)

##### Leadership

Develop a clear structure for Middle Leadership, and continue to identify, support and empower leaders within the staff to take opportunities. Utilise the Future Leaders Framework to guide this area.
