To whom it may concern,

I am writing to you as the president of Esperance Soccer Association, to raise awareness of our 2021 season.

The Esperance Soccer Association (ESA) was hoping your school could help raise awareness of the ESA's upcoming events and developments toward the season's opening.

- The ESA have the following leagues: mixed games for under 6s, under 8s, under 11s, under 14s and under 16s. In case any of the adult's fancy playing we also have men and women seniors. All skills across all leagues are welcomed.
- Registrations for the 2021 soccer season are now open for all players. Registrations are via the Play Football web page. This page can be reached either directly (www.playfootball.com.au/) or via the link provided within the ESA's Facebook page (www.facebook.com/EsperanceSoccerAssociation). Early registrations are encouraged in order to ease preparations toward the season's start in early May. Registrations will close end of March.

- Assistance with fees for families with a health pension card are available through the "kidsport" programme. Contact the Esperance Shire (https://www.esperance.wa.gov.au/sites/default/files/publication/files/kidsport_-_how_to_guide_online_application_form_-_powerpoint_version_-_n_0.pdf) or the Esperance Soccer Association for more details.

KidSport - How to guide Online Application Form

- Our training program for all 6 to 16's will kick off this Saturday the 13th at 1 pm till 2.30 pm at the local soccer grounds situated at the Esperance Greater Sports grounds (Corner of Jane & Brazier Street). This training session is open to anyone within the age group to attend and offers an excellent opportunity toward an easy introduction to soccer for anybody showing interest. Parents and guardians are most welcome to come along as spectators and supporters.
- We are also looking at offering small soccer programmes at the local schools, starting in Term 2. We have already received some keen interest from some schools and certainly hope to expand this via this program. If this is something that you would like more information on, please contact the association or Sally Hobson 0447095955 sally@esperancestrengthcoaching.com.au

The ESA would greatly appreciate any assistance your school may be able to provide. Please do not hesitate to contact me should there be any interest in any of the above or should you require additional information.

Kind regards,

Oli Jones
President of the Esperance Soccer Association
